Sunnyside Visited by a Twister.

Last Thursday night, July 2nd, Sunnyside was visited by one of the most destructive storms ever known in this territory.

The town of Sunnyside is practically a ruin. In all a total of thirty-six houses were blown down and completely wrecked, while almost every other house in the town is badly damaged. Quite a number of people have lost their all and there is scarcely a sufferer in the town who is able to recover from the losses suffered without assistance.

The tornado was accompanied by terrific hail that broke out all doors and windows, making the disastrous work of the wind easy. The first reports of the storm were hardly exaggerated. In fact it would seem that they were somewhat conservative.

The business men of Sunnyside have been able to provide temporary means for the relief of the sufferers and destitute but their own needs are great and they must have assistance. The Commercial club had collected a little fund of \$200 for the Fourth of July celebration which had been planned and which was to have been a grand affair. This was at once used for the destitute.

The Commercial club in making its appeal for help does so very unwillingly and solely because the officers can see no other way to relieve the distress. It will be a generous thing if the cities and towns in New Mexico to whom the appeal is directed will do what they can to help the sufferers.

THE DAY AT ROY

The Fourth Celebrated in an Appropriate Manner by a Large and Enthusiastic Crowd.

The people of Roy and the surrounding country turned out as one to celebrate the signing of our liberty. Early in the morning the flags were hoisted over the business houses and before noon a jolly crowd was in town. In the afternoon the visitors and townspeople were entertained at the Base Ball Park by a ball game, races, and high jumping.

The Roy ball team again celebrated their third victory over Solano by defeating them nine to one. The game was close until the fifth inning when the Solano pitcher was hit hard and when the game was called at the last half of the sixth Roy had fitted up nine scores while Solano was getting one. Red Foster who never before had been introduced to the box, surprised the fans by holding the visitors to two single and a double. Owing to the absence of several of the regular players on both sides new men were substituted who, although lacked practice played creditable ball.

The races were exciting, close and fast. The quarter mile dash being the most exciting. Five horses were entered and it was only until the last hundred yards that the winners could be picked. Alcario Valdez won first place being hard pushed by Phil Miller, who took second. Manuel Valdez easily won the half mile, taking the lead early in the race and holding it all the way. Alcario Valdez and Strickland fought hard for second place, Valdez winning by a nose.

Earl Harmon and Chas. Deaton tied in the high jump contest, making a jump of five feet and four inches.

The dance at the Bushkevitz hall in the evening was well attended and proved a success in every particular. The music furnished by the Swastika Club Orchestra was exceedingly fine. Every one or all for their homes well satisfied with the enjoyments of the day.

Meat Market Changes Hands.

Last Monday John Schneider disposed of his meat market to Roy Bros. of this place, who immediately moved the same to their own building on Main street, where the business will be conducted in the future.

We have not learned Mr. Schneider's intentions as to the future, but the Spanish-American joins his many friends here in wishing him unbounded success and prosperity in whatever business he engages and wherever he sees fit to cast his lot.
